

Board of Health Meeting
April 2, 2013

The meeting began at 7:20 PM with Larry Davis, III, Chairman, Jack Bellinger, Member and Scott McFarland, Agent present. Norm Haney was absent.

Minutes of the previous meeting were read and amended to change the spring area meeting from the 26th of April 2013 to the 22nd.

Southfield Store: Jack and Scott with Bob Tynan inspected the operation of the new system. They found that the blowers were working; two ports were dry, opened all manholes, 3 up south to 3 lower trenches. New stone trench, one trench was flooded. Pulled all covers, all were taking effluent; tanks look decent; grease trap was good; tank behind Tim Newman's house needs to be pumped. Average water flow rate @ 325. What needs to be inspected next time: tank levels and water use and leach field operation. The system is working but needs to be tweaked and go to monthly inspections.

Waste Compliance Ban: A motion was made, seconded and passed to accept the current permit to operate the transfer station for the next ten years.

Title 5: Received one from 139 Clayton-Mill River Rd. (Noreen Johnson) which failed.

Northwest Connecticut YMCA is applying to operate Camp WaWaSegowea. Scott is working with them.

Received VAN's new contract for the coming fiscal year and was accepted and signed.

Pumping reports: received one.

The next meeting will be May 6th 2013.

Meeting was adjourned at 8:25PM.

Respectfully submitted,

Pia Bellinger, Sec.
